

Medications for Opioid Use Disorder

(MOUD) Training Day

Friday, May 1, 2026

Rapid City, SD • 8 a.m. - 5 p.m.

Thursday, May 14, 2026

Sioux Falls, SD • 8:30 a.m. - 1 p.m.

Two Free Opportunities!

These free trainings will feature expert speakers with sessions primarily designed for physicians, medical learners, students, and healthcare professionals, especially for those working in a rural setting. While the content is medically and clinically focused, the trainings are open to anyone interested in learning more about opioid use disorder, substance use, and treatment and care management. Free Continuing Education Units (CEUs) will be available, and an application for Continuing Medical Education (CME) credits is pending.

Students: Opportunity to practice with a simulated patient clinical experience from 1 - 5pm in Sioux Falls. See registration for details.

**Free
Registration
and
CEU credits
available**
