

Scholarships Available

for Behavioral and Mental Health Technician Students!

Apply by June 30

Scholarships of up to \$10,000 per year are available for current and incoming students in the Behavioral and Mental Health Technician program at Southeast Technical College through the generous support of the Seed for Success Foundation. This support increases access and opportunity for future behavioral health technicians to be equipped with the hands-on skills and knowledge to effectively enter the behavioral health field.

Eligibility Considerations

- Accepted into the STC BHT program
- GPA (high school and prior college)
- Related work or volunteer experience
- Scholarship application and essay
- No references required

How to Apply
